How to Find Properties with PAHousingSearch.com

Step 1
Go to www.PAHousingSearch.com and click Find Rental Housing.

Step 2
Choose a city or county to search.

Step 3
A search screen will appear. Choose from Basic, Advanced and Accessible tabs.

Enter search criteria, and press CLICK HERE TO SEARCH to see housing listings.

Use the Basic tab to search quickly by details like bed and bath amount, ZIP code and if you have a voucher.

Use the Advanced tab to search by features like school district, appliances, pet friendliness, whether credit or criminal checks are required and more.

Use the Accessible tab for all the choices of the Advanced tab as well as many accessibility features.

NOTE: For a quick search, use the text box on the homepage. Type the city, county or ZIP code where you want to live to see listings in that area.

Veterans: If you have VASH or other Veterans housing assistance, click “Yes” next to “Veteran or VASH Recipient?”

Viewing, Sorting and Printing Listings

- Use the “sorted by” drop-down menus above the listings to sort listings by rent, location, date available and more.
- Click an address to view more details and landlord contact information.
- Click Show Map above the listings on the right to see a map of the rentals found by your search. Click around the map to see more features, and even start a new search from the map.
- Click checkboxes next to each property you’re interested in and scroll to the bottom of the page to add to a “basket” of choices. View your basket to compare the properties you like.
- To print listings, click the Printer Friendly link near the top-right corner of each page.
